

Directions:

Take the 5 Fwy North to the 605 Fwy North to the 210 Fwy West and exit at Angeles Crest HWY (HWY 2). Take Angeles Crest HWY North. At the junction with Angeles Forest Hwy is the Clear Creek Information Center with the latest trail information. Continue on Angeles Crest and about 14 miles to the Red Box Station where you turn right onto the signed road to Mt. Wilson and almost immediately bear left onto the dirt West Fork Road. Proceed carefully down this another 6 miles to West Fork Campground. Follow the signs to the Gabrielino Trail. About 1 mile and 200 feet elevation gain brings you to Devore Trail Camp.

The trail follows the West fork of the San Gabriel River which can be quite a raging river following a severe storm. The pleasant saunter along this trail leads you to Devore Trail Camp, an old fisherman's camp. About halfway down the trail you may come across a waterfall cascading over the rocks. As in all wilderness areas, water must be purified.
